family with raw humor and great affection. Forced to be mother, father, and referee to her battling clan, the ever-resourceful Agnes Browne occasionally finds a spare moment to trade gossip and quips with her best pal Marion Monks (alias "The Kaiser") and even finds herself pursued by the amorous Frenchman who runs the local pizza parlor. Like the novels of Roddy Doyle, *The Mammy* features pitch-perfect dialogue, lightning wit, and a host of colorful characters. Earthy and exuberant, the novel brilliantly captures the brash energy and cheerful irreverence of working-class Irish life. Now a major motion picture starring Anjelica Huston

Mrs Cowan's Boy-Rory Cowan 2019-09-27

When Rory Cowan stepped down from his role in Mrs Brown's Boys after 15 years, it made national headlines. Here, in his own unique voice, he tells his story - with a star turn from his greatest cheerleader, his mum Esther - and how the confidence she gave him in his early years set him on the path from mischievous teenager to national treasure. Rory's tales of growing up in 1970s Dublin are laugh-out-loud funny, but there is also sadness, as he describes his mother's dementia and the particular pain of gradually losing a loved one to such a cruel disease. A magical and moving account of a mother-and-son bond, and the unexpected progression from record-shop manager to comedy icon, Mrs Cowan's Boy is told with all the humour and warmth you'd expect from one of Ireland's best-loved stars.

Mr. Bennett and Mrs. Brown-Virginia Woolf 2018-07-11 Mr. Bennett and Mrs. Brown By Virginia Woolf IT seems to me possible, perhaps desirable, that I may be the only person in this room who has committed the folly of writing, trying to write, or failing to write, a novel. And when I asked myself, as your invitation to speak to you about modern fiction made me ask myself, what demon whispered in my ear and urged me to my doom, a little figure rose before me the figure of a man, or of a woman, who said, "My name is Brown. Catch me if you can." We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The Real Mrs. Brown-Brian Beacom 2014

Who'd have thought a potty-mouthed Dublin mammy with a cream cardigan and elasticated tan tights could storm British TV screens and leave a nation helpless with laughter? Brendan O'Carroll performs to tens of thousands of people a night in packed-out stadiums across the country. In the last four years his TV show has become a number 1 ratings success and he's even making a movie. But Brendan has had to battle hard for success. The youngest of eleven children, his mother was Maureen O'Carroll, a

former nun who went on to become the first woman to be elected to the Irish parliament. Brendan adored his strong, widowed mother - and she later became the inspiration for his indomitable character Agnes Brown. However, the family endured poverty reminiscent of *Angela's Ashes* and Brendan saw no option but to leave school at 12 to work. He married young and for decades struggled to make ends meet. Eventually, bankrupt and desperate, Brendan went to see a fortune teller who told him she could see his future achieving worldwide success as a comedian and actor. At first Brendan laughed at the notion, but then he thought of how much his friends loved his gags, and decided to give it a go... This is the magical story of how a loveable Irishman with a wig and a wit as caustic as battery acid surprised everyone - most of all himself - by becoming one of the best-loved comedians in the world. It is a story of hardship, heartbreak, and talent and will remind readers afresh that sometimes the facts can be even more extraordinary than the fiction.

Thinking Again: A Diary-Jan Morris 2021-01-05

Jan Morris, one of “Britain’s greatest living writers” (Times, UK), returns with this whimsical yet deeply affecting volume on life as a redoubtable nonagenarian. The irrepressible Jan Morris—author of such classics as Venice and Trieste—is at it again: offering a vibrant set of reminiscences that remind us “what a good, wise and witty companion Jan Morris has been for so many readers for so long” (Alexander McCall Smith, New York Times Book Review). “Like Michel de Montaigne” (Danny Heitman, Wall Street Journal), Morris waxes on the ironies of modern life in all their resonant glories and inevitable stupidities—from her daily exercise (a “statutory thousand paces of brisk walk”) to the

troubles of Brexit; her enduring yet complicated love for America; and honest reflections on the vagaries and ailments of aging. Both intimate and luminously wise, Thinking Again is a testament to the virtues of embracing life, creativity, and, above all, kindness.

When I Fell From the Sky-Juliane Koepcke

2012-03-22 On Christmas Eve 1971, the packed LANSA flight 508 from Lima to Pucallpa was struck by lightning and went down in dense jungle hundreds of miles from civilization. Of its 93 passengers, only one survived. Juliane Koepcke, the seventeen-year-old child of famous German zoologists. She'd been thrown from the plane two miles above the forest canopy, but had sustained only a broken collarbone and a cut on her leg. With incredible courage, instinct and ingenuity, she survived three weeks in the "green hell" of the Amazon - using the skills she'd learned in assisting her parents on their research trips into the jungle - before coming across a loggers hut, and, with it, safety. Now she tells

Popular Irish comedian Brendan O'Carroll chronicles the comic misadventures of this large and lively family with raw humour and great affection.
